### **4.1 Class Absences**

**Students are not allowed to have more than three absences per subject per semester.**

Without valid reason, if a student has more than three absences the student will not have the right to sit the midterm and final exams, resulting in an “F” or FAIL in that subject.

### **4.2 Exam Rules**

1. On the day of an exam, students must wear proper uniform (White Shirt and black trousers/skirt)
2. Students are required to bring their Student ID card to all exams.
3. Students who miss the final exams will automatically receive an F grade.
4. Students must be in the exam room no later than 30 minutes before the start of an exam or it will count as an absence and will result in an automatic “F” (Fail)
5. If a student is caught cheating the student will be automatically FAILED in the subject with a suspension as a penalty

## **5 Visa Information**

### **5.1 Getting your Visa:**

#### **5.1.1 Tourist visa**

If you enter Thailand on a Tourist visa (Non-immigrant “TR”), you must convert your visa type to an Education Visa – also known as Non-Immigrant “ED” visa. The validity of the Tourist Visa issued by the Royal Thai Embassy or Immigration Bureau will usually be for 30-60 days (Depending on the country of origin) from the date of arrival in the Kingdom. You must convert your visa to type “ED” within the period of validity. You will receive your converted visa 15 days after application.

You must inform and submit all documents to the Student Visa Support Officer (Ms. Bui, Fourth Floor, building 10) as soon as you arrive at UTCC, after which Students Services will prepare the required documents.

You must submit your application at least 30 days before the Tourist Visa expiry date.

#### **Documents required for Immigration:**

1. Original passport
2. Completed Application Form for Change of Visa (TM. 86)
3. UTCC Receipt of Tuition fee
4. One 2-inch photo
5. A copy of your academic qualification documents (High-School transcripts and diploma, IGCSE or GED results, bachelor diploma etc.)
6. Other documents from university

7. 2,000 Baht fee (payable at the Immigration)

### **5.1.2 Education Visa**

Once a student is registered online, we will send you all the necessary documents in order to apply for your student visa at the Royal Thai Embassy or Thai Consulate in your country. (If not, you can visit the nearest Royal Thai Embassy).

### **5.2 Visa Extension**

The validity of your Education Visa, called Non-Immigrant “ED”, issued by the Royal Thai Embassy or Immigration Bureau is 90 days from the date of entering the Kingdom. The stay permit is stamped in your passport and the Departure Card (T. M. 6) by the Immigration Officials upon your arrival in Thailand.

The application for the extension must be made to the Immigration Bureau as early as 45 days before the end of your current stay permit or extension. The duration of your visa is indicated by UTCC, though the ultimate decision on your visa duration is made by the Immigration Bureau. Your visa duration will depend on the conditions set in the UTCC visa policy below.

You must inform and submit all documents to the Student Visa Support Officer at least 45 days before the expiration date of your Non-ED visa. The Student Visa Support Officer will provide the necessary supporting documents and prepare transportation to the Immigration bureau.

#### **Documents required for Immigration:**

1. Original passport
2. Completed Application Form for Extension of Temporary Stay in The Kingdom (TM. 7)
3. UTCC Receipt of Tuition fee
4. One 2-inch photo
5. University Transcript
6. Other documents from the university
7. 1,900 Baht fee (payable at the Immigration)

### **5.3 “90 Days Report”**

Notification of Staying Longer than 90 Days, or the 90 Days Report is required if you stay in Thailand longer than 90 days on an Education “ED” Visa.

This is not the same as extending your visa and needs to be done periodically - every 90 days or 3 months - you spend at a stretch in Thailand. This cycle of reporting is required for the entire duration of your stay in Thailand.

The 90 Day count starts from the date which you enter Thailand. You are required to submit the 90 days report to immigration 15 days before and up to 7 days after the end of the 90 days period.

Once you report to immigration, you will receive a “Receipt of Notification” that indicates the date of your next required report.

It is your responsibility to ensure that you submit documents to immigration within 15 days before or 7 days after the expiration date.

If the Receipt of Notification is lost, you must report to the police station. The notice issued by the police must be submitted to the Immigration Bureau.

The first application for extension of stay is equivalent to the notification of staying in the Kingdom over 90 days.

If you leave the country and re-enter, the day count starts at 1 in every case.

**Documents required for Immigration:**

1. Original passport
2. Completed Application Form of Staying Longer Than 90 days (TM. 47)
3. No fees are charged for this service

**5.4 Re-Entry Permit**

While you are on your Education visa, if you intend to leave Thailand for a trip abroad, a re-entry Permit is required in order to re-enter Thailand. With a re-entry permit, your current visa remains valid during your temporary stay outside Thailand.

**There are two types of re-entry permits:**

**Single Entry:** Allowing you to leave and re-enter Thailand only once.

**Multiple Entry:** Allowing you to leave and re-enter Thailand multiple times till the validity of your visa.

Multiple Entry is strongly recommended for students who are on a 12-month visa and plan to travel outside of Thailand.

Re-Entry Permit must be applied for, in-person, by the passport holders (you) only. The Immigration Bureau at Chaeng Watthana is usually able to process a re-entry permit on the same day. You may also apply for the same at the Immigration Checkpoint in the airport during departure.

You need to ensure that you submit your documents to the immigration bureau before leaving the country and get the re-entry permit stamp on your passport.

You can apply for a re-entry permit at the airport before leaving the country.

**Documents required for Immigration:**

1. Passport with a photocopy
2. Completed Application Form for Re-Entry into the Kingdom (TM. 8)
3. One 2-inch photo taken within the last 6 months
4. Fees (payable at the Immigration) Thai Baht 1,000 for single re-entry (Baht 1,200 at the airport); Thai Baht 3,800 for multiple re-entries (Baht 4,000 at the airport)

## 5.5 Residence Registration

All foreign nationals residing in Thailand are required to register their current residential address with Thai Immigration.

Popularly known as TM30, the underlying laws are about the obligation of a landlord (or housemaster, possessor, manager) to report the stay of a foreigner (non-Thai national) in his/her property. All foreigners staying in Thailand and their hosts should be aware of this. Landlords renting out their premises to foreigners are required to report the residential status of the foreigner within 24 hours of arrival of foreigners. The reporting needs to be done on each occasion the foreigner leaves the premises (travels to a different province or country) and returns to take-up residence again at the said premises.

In principle, the prime responsibility of reporting a foreigner rests with the property owner, not with the tenant or with the agent or property manager, but all could experience trouble when the papers are not in good order. Reportedly, there have been cases that tenants were fined instead of the landlord, when they reported at Immigration for 90-days or to get a visa extension.

**Please ensure that your landlord is consistently reporting your arrival to Immigration using the TM.30 form. The reporting needs to be done every time you leave Thailand and return with a new (arrival and) departure card in your passport, because your departure card number has changed.**

You can submit the same to the Immigration directly, in case your landlord is unavailable or refuses to report.

### **Documents required for Immigration:**

1. Completed Application Form (TM. 30)
2. List of foreign nationals residing at the given premises along with passport numbers, departure card numbers and dates of arrival.
3. Copy of the title deed of the property.
4. Copy of rental contract with landlord.
5. Photo ID (Thai Citizen ID) of landlord.
