Study Abroad at UCLan

Where opportunity creates success

The University of Central Lancashire is the international, multi-campus university tracing its roots back to 1828 and leading the way in modern learning today.

Why Study Abroad?

Studying Abroad?

As well as beaches, sunsets and selfies, studying abroad will have lifelong benefits in your personal and professional life:

- ❖ **Experience a new way of learning** - a different academic way of teaching could give you a whole new outlook on your course
- ❖ **Enhance your career** - a period studying abroad will stand out on your CV and international organisations want graduates with experience of living or working overseas.
- ❖ **You will develop relevant, marketable skills** such as problem-solving, communication, patience and perseverance, determination, self-motivation, analytical and study skills
- ❖ **You will meet interesting new people**, have new experiences socially and develop lasting international friendships... Or maybe even find love!
- ❖ **Finally, you will definitely HAVE FUN!** You should try to see as much of the country as you can – students who study abroad say that it is the best time of their lives!

There is a big world out there just waiting for you to explore....

Studying in the UK

Its rugged coastline studded with gold sand beaches and secret coves, to rolling countryside dotted with patchwork fields and crops of ancient woodland, to vertiginous peaks set above glistening meres and heather-clad moors, via kitschy seaside resorts, pretty-as-a-postcard villages and handsome market towns, there's no shortage of places to visit in the United Kingdom.

The University of Central Lancashire is the perfect destination if you're looking for a world-class education and an unforgettable student experience.

Preston – in the heart of the UK
